### **2022**

“There is nothing I like better at the end of a hot summer’s day than taking a short walk around the garden. You can smell the heat coming up from the earth to meet the cooler night air.” **Peter Mayle**

Welcome back!! I’m still waiting for that cooler night air! I hope everyone had a wonderful summer. From talking to many members this summer I can tell that our membership not only enjoys gardening and flowers but they LOVE to travel! We’ve had members visiting France, England, Italy, Cape Cod, Pawleys Island and many beaches and rivers. We even have a few currently on an adventure on the Camino de Santiago trail! I look forward to hearing about all of these adventures when we meet up again! And like another saying goes, “the tans will fade but the memories will last forever!”

Before I dive into upcoming events and meeting notices, I want to thank all of our members who spent time over the summer getting ready for the upcoming year. Cammy Carleton has put together our budget. Natalee Johnsrud has arranged a great line-up of programs. Lee Nelson has been working on the Greenbook. Cathy Lee has been arranging a speaker for a fundraiser next spring and corresponding with members as needed. Molly Carey has been gathering applications for our upcoming new members and working on updating the google drive. Kate Kerns has kept minutes from our Board meetings and worked on the gmail account. Kay Tyler, Margaret Simpson and Sarah Wooten have been working on HGW Guidebook ads. Missy Goode represented Boxwood (and won a blue ribbon) in the Artistic Division at the Lily Show. Van Ruffner has been updating our website. Kate Whitehead Stuart Roberts and Molly Carey put together the exhibiting schedule for the upcoming year. And last but not least, Rachael Davis and Margarete Mankins have been reviewing and updating our bylaws. Whew! I hope I haven’t missed anyone! It takes a village of Boxwood ladies!

### **GCV SYMPOSIUM**

The GCV Symposium will be held on September 20 and 21, 2022 at the Science Museum of Virginia. This will be a jam-packed two days of artistic, horticulture and photography exhibits, workshops, speakers, luncheons and a cocktail party, featuring botanical cocktails. The Horticulture division will feature cut stems and container grown plants. The Artistic division still has some openings available if anyone is interested. Speakers include Francoise Weeks, Thomas Woltz, Robert Llewellyn, Shaun Spencer-Hester and Emilie Carter. For more information and to get tickets visit [www.gcvsymposium.org](http://www.gcvsymposium.org).

### **POP-UP HORTICULTURE WORKSHOP**

Since the Symposium is a week before our September meeting, to help members feel more confident exhibiting horticulture, we will hold an exhibiting workshop on Monday, September 19, 2022 at 10:00 a.m. at my home (4600 Coventry Road). You can go from here and place your exhibits at the Science Museum beginning at 11:00 a.m. Several members have expressed interest in learning more about exhibiting and what makes the difference between a blue ribbon and a yellow ribbon. Come and let's learn together!

### **GCV COMMONWEALTH AWARD**

It is once again time to vote for the GCV Commonwealth Award. This award provides grants to exceptional community projects of member clubs in the areas of conservation, beautification, horticulture, preservation or education. Attached are the three nominees. Please read these over and be prepared to vote at our September meeting.

### **“ODDS AND ENDS”**

--Cathy Lee is looking for a few volunteers to help paint pedestals for the Symposium on the afternoon of September 13 or anytime on September 14. If you are available to help, please contact Cathy at [leecathym@yahoo.com](mailto:leecathym@yahoo.com) or (804)615-2284.

--We are planning a luncheon for Associate and Life Members in October. Be on the lookout for your invitation. The Board will prepare and serve you!

--When attending the Symposium make sure to see our Boxwood Interclub Artistic Exhibit. Janice Whitehead, Missy Goode, Mary Mason Wood, Nella Timmons, Kathryn Angus, Gina Denniston, Lisa Caperton and Liz Price have been putting their heads together and working on an exhibit in the Dutch Flemish traditional design category. From the little bit I've seen on their email chain, it will be a masterpiece!!

That's it for now! I'm looking forward to seeing everyone in September!
